To: Human Resources

I am writing in response to the teaching opportunity at your school as advertised on your website.

Since September 2014, I've taught French Immersion and French Core, at the elementary level. I have experience as an Occasional Teacher working long and short-term assignments. These teaching assignments allowed me to teach students with an Independent Education Plan (IEP). Also, I have taught to students who have Attention Deficit Disorder and Oppositional Defiant Disorder.

My most recent position enabled me to teach grade 8 Core French. Modifications of lessons were vital in order to maximize the success of all students, especially those associated with an IEP. Being bilingual enabled me to create French cultural experiences and awareness within the classroom.

I would appreciate the opportunity to discuss my qualifications further with you. Please feel free to call me at 647 – 963 - 7033. Thank you for your consideration.

Sincerely,

Paul E. Deacon
